Subject: trials on Wed., Jan 11, 2012

Hi all-

I just wanted to check in with the three of you and let you know that, besides being on-call for your cases, that I also have a Fall River Superior Court case which is suppose to start today. The ADA said that he will call me sometime today to let me know if/when I will be needed (there is still a chance it will be a plea), and I will let you all know what's going on with that case. I'm assuming that if I am needed it will be on Tuesday and will therefore not be an issue for you. Also, there is a slim chance that I will have a Springfield Superior Court case to deal with as it is going into the trial pool tomorrow, but I doubt it will actually start on Tuesday or Wednesday. Thanks.

ADA Schmidt: Comm v. [REDACTED] - Springfield District Court
ADA Bennett: Comm v. [REDACTED] - Springfield District Court
